

CONFIDENTIAL

22 July 1980

MEMORANDUM FOR: Chief, Southwest Asia Analytic Center
FROM: Director of Central Intelligence
SUBJECT: Pakistan (U)

I want to let you know I appreciated your paper labeled "Notes on Pakistan," which came out of our skull session last week. Unfortunately, I did not get to it until the last minute before today's PRC or I might have asked you to flesh it out some and circulate it. It was very helpful to me in preparing for that meeting. (C)
